Next year I hope I can recruit so we can grow and keep up with Lucy as she is too good! With the view of taking on more callers as soon as we have the capacity.

Have a great holiday and a huge thank you – you have transformed our company!

Cheers

I just wanted to write another short thank you note. You are doing good work for us which is building into a healthy new pipeline. Each day I look forward to those e-mails you send which start "New Lead From Callbox". They all put a smile on my dial! Thank you for your efforts on our behalf, and thank you for the results which continue to meet or exceed our targets.

I just wanted to write to you guys to say what a pleasure it has been working with you on our outbound lead generation campaigns in Singapore. The professionalism in the setup and execution was second to none. You opened up a number of opportunities that we are now capitalizing on. Well done and thanks!

I am pleased to say that you have done a very good job in calling and generating leads for our organisation. I am sure we will have another round of campaign with your team very, very soon. Loved the way your team works timely reports, timely information regards the leads, proper scripts. Good. Keep it Up!! Best part is you understood what we are selling and devised your own process & ways to help us position & qualify a lead. Very Good.
