

# B2B Direct Marketing for Commercial Cleaning Services

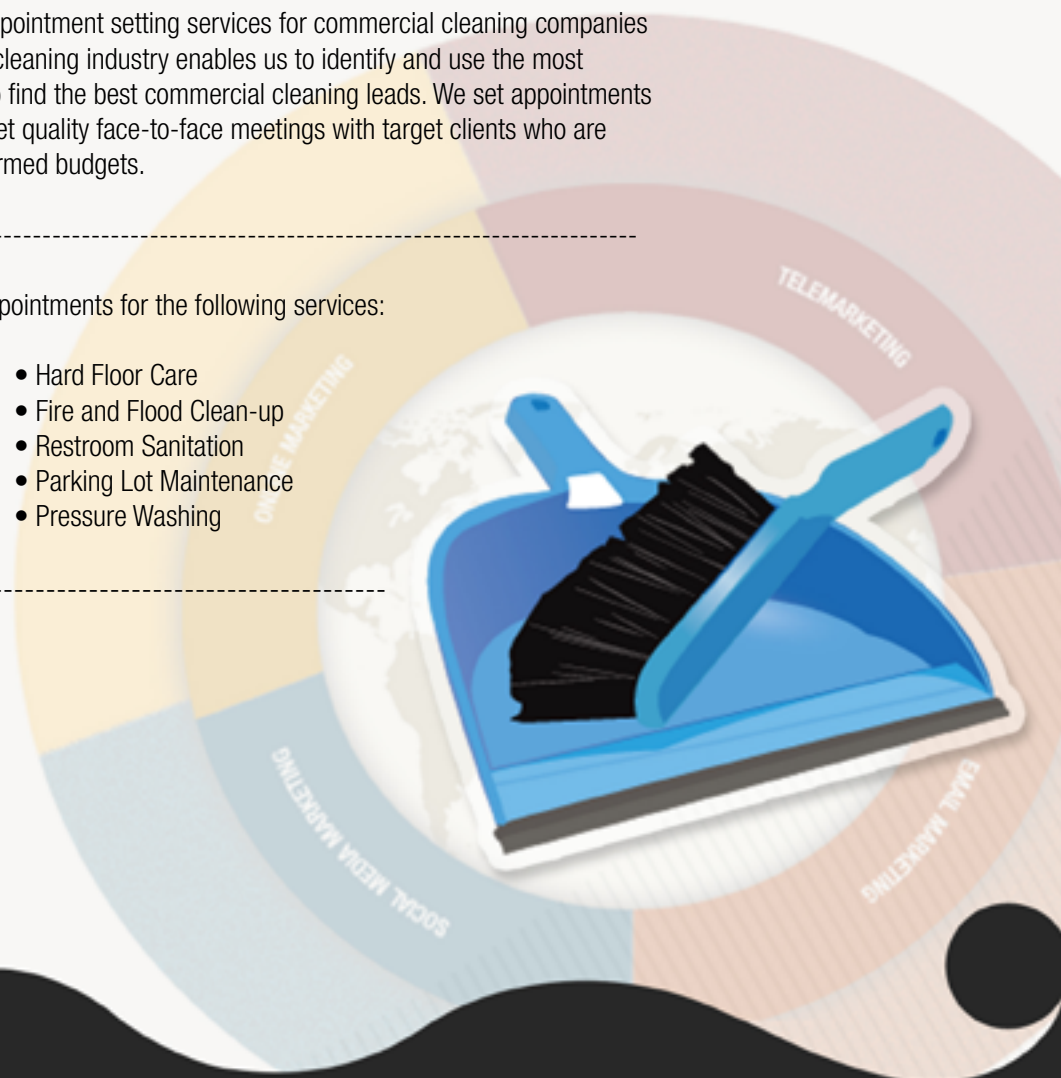

Time for you to clean up with a bunch of shiny, brand new leads!

Callbox helps you get more janitorial service leads and contracts by identifying potential customers within your market area. We contact and set appointments with Facility Managers and Building Maintenance Officers from various commercial facilities and private and government establishments such as hospitals, clinics, schools, offices, resorts, sports arenas, and convention centers. We qualify each commercial cleaning lead using your preferred qualification criteria.

We provide first-rate direct marketing and appointment setting services for commercial cleaning companies of all sizes. Our expertise in the commercial cleaning industry enables us to identify and use the most efficient lead generation tools and vehicles to find the best commercial cleaning leads. We set appointments for you with pre-qualified prospects so you get quality face-to-face meetings with target clients who are ready and willing to meet with you with confirmed budgets.

We generate janitorial sales leads and set appointments for the following services:

- General Office Cleaning
- Carpet Cleaning
- Blind and Window Cleaning
- Ceiling and Wall Cleaning
- Trauma Clean-ups
- Hard Floor Care
- Fire and Flood Clean-up
- Restroom Sanitation
- Parking Lot Maintenance
- Pressure Washing
